REQUEST FOR FINAL DOCTORAL EXAMINATION

Effective September 01, 2004 the dissertation no longer has to be approved by the Graduate School *prior to* the final examination. The document now should be submitted for approval only *after* the final examination and *after* any committee recommendations have been incorporated, but *before* it is printed on the final bonded paper.
The signed Dissertation Approval form must be submitted at the same time as this Final Doctoral Examination Request form.
